TECH-FITT® SYSTEMS Limited Lifetime Product Warranty

Steam Management Systems, Inc. ("SMS, Inc.") warrants that each stainless steel part shall be free of defects in material and workmanship and will not wear out for the lifetime of the original equipment on which it was installed, up to 125 psig (and on a case by case basis above 125 psig).

The limit of SMS, Inc.'s liability shall be to provide appropriate replacement parts, at no charge, for TECH-FITT® components not performing satisfactorily under proper and typical operating conditions. Components misused, abused, neglected, or altered are not covered by this warranty, and SMS Inc. reserves the right to determine, at its sole discretion that the components have been properly used.

The TECH-FITT® components are engineered for specific equipment use. Any equipment or operational changes to your system may affect system performance and/or invalidate your warranty. Buyer agrees there are no other warranties, either implied, expressed or otherwise imposed by law.
